

Quick Clean Paint Wipes 80XL Technical Data Sheet

Description

Bartoline Quick Clean Paint Wipes are perfect for fast and easy clean-up of wet paint, varnish and other spills from hands, tools, windows, floors, worktops, and many more surfaces. No more harsh solvent or turpentine clean-up to chap hands. Ideal for spills, drips and splatters from almost any non-porous surface. The handy pop-up lid container keeps the wipes moist and ready to use. Ideal for the home or on the move decorators.

Directions

Remove lid of container and pull off foil seal. Thread wipe from centre of roll through the opening of the lid and replace lid. Remove wipes as required. Use wipe immediately for best results. Wipe hands or area to be cleaned. Close lid cap immediately to prevent wipes drying out. Repeat as necessary.

Health & Safety

See MSDS for full information.
