

Citronella Lantern and Torch Oil Technical Data Sheet

Description

This product is for use only as an outdoor lantern & torch oil.
Follow the instruction of the lantern & torch manufacturers where possible.
Do not overfill Lanterns and Torches.

Directions

1. Remove bottle top and carefully pour into the reservoir.
2. After use, replace cap securely and store in a safe place away from sources of ignition.
3. Allow 10-15 minutes for wick to absorb oil before lighting. After lighting observe flame. A flame that is too high will cause unnecessary smoking. To alleviate this lower the wick. It is essential the wick is kept trimmed.

Health and Safety

See MSDS for full information.

Technical Data
